

## **Tentative Scope of Work – Construction of Tubewells**

**Name of Work:** “Construction of Tubewells for drinking water supply schemes in villages from Bali block of Pali district, Pindwara, Swaroopganj and Abu Road block/cluster from Sirohi district of Rajasthan”.

Centre for microFinance (CmF) is implementing community managed habitation level safe drinking water supply schemes under WASH Project across 200 villages (50 villages from Bali block of Pali district and 150 villages from Pindwara and Abu Road block of Sirohi district) in Rajasthan.

CmF invites sealed tender from reputed Contractors having experience in Construction of Tubewells and having infrastructure and required machinery for the purpose. The Tubewells are to be constructed as part of drinking water supply schemes in villages from Bali cluster of Pali district, Pindwara, Swaroopganj and Abu Road clusters of Sirohi district. Cluster wise no. of Tubewells is as below:

**Table: Cluster wise Proposed Tubewells to be constructed, for which tenders are invited**

S.No.	Cluster	No. of Tubewells
1	Bali	16
2	Pindwara	7
3	Swaroopganj	14
4	Abu Road	20
<b>Total</b>		<b>57</b>

**Note:** Cluster wise site specific details are attached as annexure. This is tentative and number of Tubewells may increase or decrease based on organizational requirements.

### **General Terms**

1. The tender is to be submitted after agreeing to terms and conditions set in the published advertisement.
2. As per the published advertisement the interested construction firm/ contractor submit their rates mentioned on the letter head of the firm with stamp and signature.
3. kindly mention the start date / month of the work in the quotation
4. kindly mention the end date /month of the work in the quotation
5. Along with the quotation, kindly also submit the following documents.
  - i. Registration Certificate
  - ii. Income tax Clearance certificate
  - iii. GST Registration Certificate
  - iv. Previous work order copies of similar work from other organizations/firms/companies
  - v. Work performance report/Completion Certificate
  - vi. Balance Sheet/Turnover (last 3 years)
  - vii. EPF Registration: Bidder must have valid EPF/ PF registration.
  - viii. Valid ESI PF registration should also require.

### **Terms and Conditions to be agreed at time of submitting tender**

1. Number of Tubewells may increase / decrease as per actual requirement of organization and quantity of items to be executed at site can be increased or decreased as per the requirement of company / underground strata/ actual site condition.
2. Contractor shall submit the bill based on actual quantity, after completion of works for each Tubewell to the entire satisfaction of the company, which shall be duly verified by the authorised Engineer of the CmF.

3. Rates submitted are inclusive of all taxes and duties and shall remain firm during the period of contract.
4. In case of failure of Tubewell, the payment would be only for drilling of Tubewell and no payment would be made for other component incl. M.S. casing pipe.
5. All rates quoted must be inclusive of material, transport, labour, duties & taxes & all other incidental & overheads etc. in order to complete the work corresponding to the specification of the tender document.
6. Party will be responsible to provide sand free water after development work for each bore well.
7. Contractors are supposed to see the site conditions and quarries. No payment shall be allowed on account of any lead whatsoever.
